Kyma

Kyma is the rhythm of water.
A wave that moves forward,
recedes, and returns.

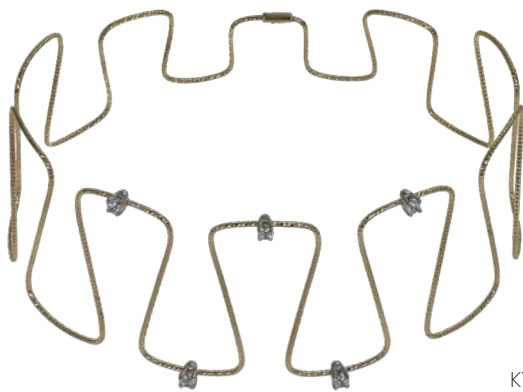

Gold follows the motion.
Form becomes sensation.

Nara

In Japan, there is a word that
expresses the natural balance of all
things.
It is called Nara.

A gold wire follows the movement,
fluid and continuous.
Black diamonds and precious
stones such as tsavorite, ruby and
sapphire introduce rhythm and
depth.

An intimate jewel.
Designed to last.

MagicWire®

A Thin wire. *A Strong personality.*

MagicWire® is much more than a piece of jewelry.
It's movement, shape, and freedom..

Each creation is crafted in 18kt gold, and thanks to its
hypoallergenic shape-memory alloy core, it is light,
flexible, and ready to reinvent itself with you.

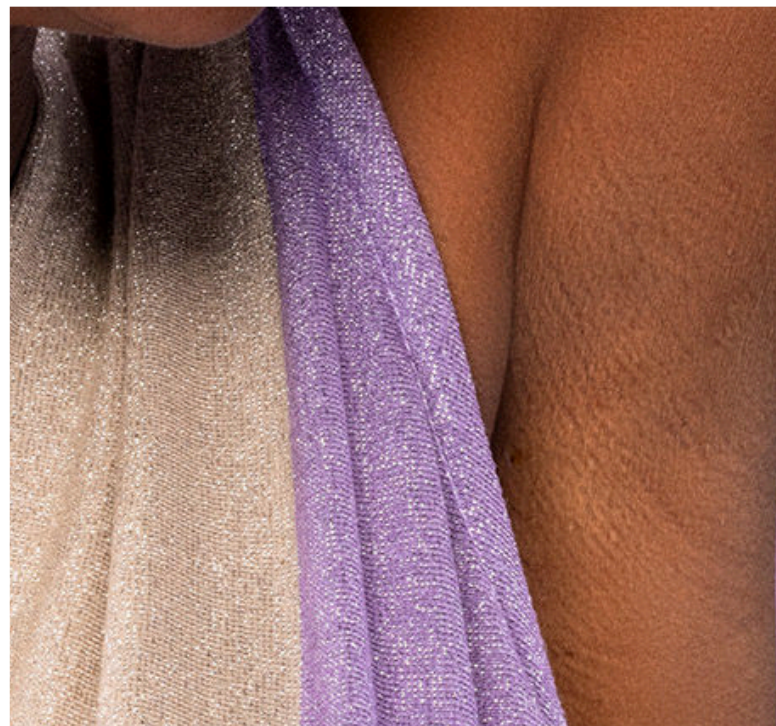

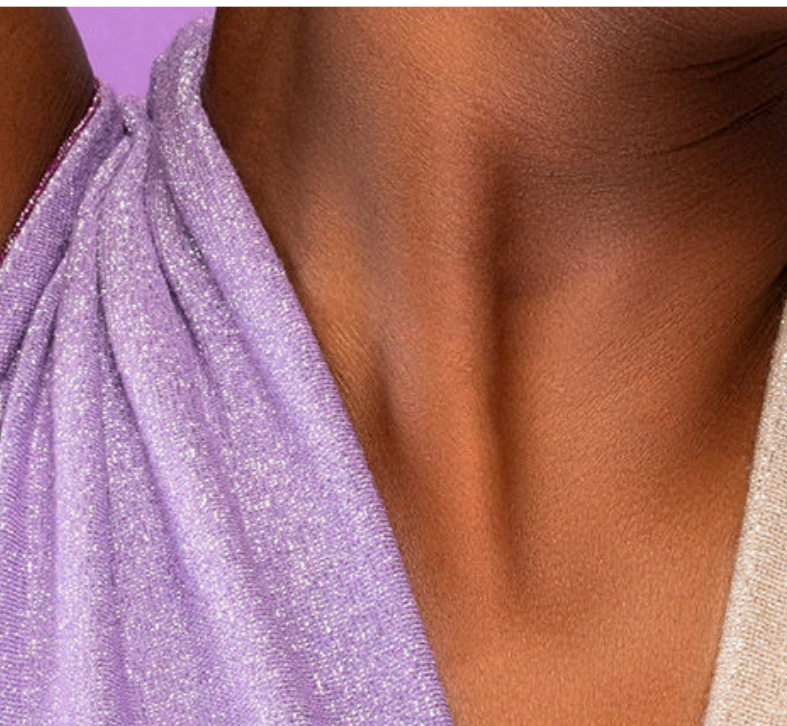

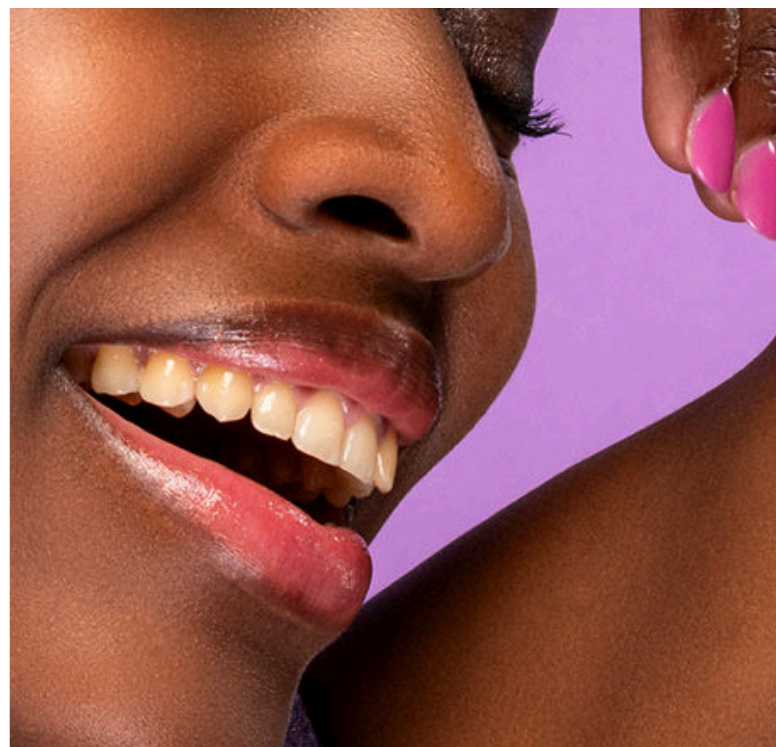

Customize your jewel by choosing from
yellow, rose, white or black gold.

Choose your color:

Choose your ring size:

Angel

Angel expresses the essence of simplicity with 18kt shape memory gold wires. The collection is light, versatile and perfect to embellish with charms..
